AFFINITY DESIGN LINE

High-end line dedicated to open buffets (front cooking) and catering, with an elegant curved handle and a glossy visible finish which makes this cookware a unique jewel of your table.

USE:

This casserole is perfect for searing over high heat in a minimum of time. Its shape ensures good evaporation of moisture and guarantees excellent caramelization of juices.

MATERIAL

Produced with 7 layers of aluminum and stainless steel foils which allow for rapid and homogeneous heat conduction.
Riveted stainless steel handle.

CHARACTERISTICS:

- cooking speed
- saves vitamins and proteins
- perfect heat diffusion
- usable with all heat sources (ALSO FOR INDUCTION)

WASH

Dishwasher safe

To maintain the internal shine, it is recommended to boil, when necessary, a glass of water with a teaspoon of vinegar.
