SOLUZIONI FOODSERVICE

Ideal for any type of kitchen, this 15-litre graduated bucket combines functionality and design. Made entirely of stainless steel, it guarantees long life and resistance to corrosion and impacts. Equipped with a base to ensure stability during use, the bucket has a diameter and height of 32.5 cm, making it spacious but at the same time easy to handle. Perfect for measuring and containing liquids thanks to its graduated scale, it will be an indispensable ally for your moments in the kitchen.
