SOLUZIONI FOODSERVICE

Immerse yourself in the culinary art with our Mineral Frypan Extra-Heavy Lyonnaise Frying Pan, ideal for culinary virtuosos who strive for excellence. Made of 100% natural iron, this pan combines functionality and tradition, ensuring perfect heat distribution. The innovative beeswax-based coating prevents food from sticking and provides organic and natural protection against oxidation. You can create exquisite and perfectly caramelized dishes thanks to its flared walls and long handle. An essential utensil for your kitchen, carefully designed to ensure long-lasting durability and high performance. • Extra-heavy, 100% natural iron pan • Beeswax coating for a non-stick barrier • Flared edges and long handle for optimal frying and sautéing • Requires pre-heating
