# SOLUZIONI FOODSERVICE

Here is an essential accessory for kitchen professionals: our stainless steel Ingredient Spreader, with small holes, measuring 7x13cm, proves to be the perfect ally for dispensing sugar or spices precisely and uniformly. Its stainless steel construction makes it durable and safe for food use. Practical and functional, it cleans easily and can be washed in the dishwasher. With a refined and elegant design, typical of Made in France, it will make every preparation more pleasant and professional.
