

**HEAVY ZIG-ZAG BRASS CUTTER WHEEL**

# SOLUZIONI FOODSERVICE

Complete your professional kitchen with our brass zig-zag pasta cutter: an indispensable tool for making fresh homemade pasta. The solid chrome frame and authentic wooden handle come together in a weighty and charming design. Brass, a non-toxic and particularly resistant material, is ideal for contact with food. Let your new utensil shine in all its beauty thanks to the convenience of the dishwasher, to which it is perfectly resistant.
