

TRANSPARENT SQUEEZE BOTTLE DISPENSER WITH WIDE MOUTH CAP cl.50

SOLUZIONI FOODSERVICE

This Squeeze Bottle dispenser, with a transparent and linear design, is the missing accessory for your professional kitchen. Made of polyethylene, a particularly resistant but light material, it is ideal for measuring any type of sauce, both sweet and savory, with precision and ease. The excellent sealing cap with large diameter ensures quick and easy refilling, reducing waste to a minimum. The dispenser is also graduated, with scale in both oz. that in ml., and is easily washable in the dishwasher. From overseas, direct from the American professional kitchen to that of every home and restaurant.
