

GIANT STAINLESS STEEL SPINNER WITH RUBBER HANDLE
cm.20x80

SOLUZIONI FOODSERVICE

This giant perforated skimmer is made of stainless steel, ensuring resistance and durability over time. At 80cm long and with a diameter of 20cm, it is perfect for sifting and draining in style. The particular non-slip rubber handle allows a safe and comfortable grip while cooking, avoiding any risk of slipping. Plus, the rubber hook allows you to hang it easily after use. An indispensable tool for every professional chef.
