

MAXI STAINLESS STEEL LADLE cm.20x80 cl.200

Combine professionalism and safety with the robust 200 cl Maxi stainless steel ladle, non-deformable for prolonged intense use.

SOLUZIONI FOODSERVICE

This maxi 20x80 cm ladle with a capacity of 200 cl is an indispensable ally in every professional kitchen. Made entirely of Aisi-304 stainless steel, it guarantees unparalleled strength and durability. Its 64 cm long handle, made with a 3 mm thick sheet of steel, offers unique comfort of use, while the curved terminal allows it to be hung comfortably. The capacity measurement, engraved on the handle, offers practicality and precision in every preparation. Ideal for intensive use, it is the result of research that combines convenience, safety and functionality.
