

**MAXI POLYAMIDE SHOVEL WITH STAINLESS STEEL HANDLE**  
- cm.100

# SOLUZIONI FOODSERVICE

Imagine tackling your culinary adventures with the convenience and safety of this maxi shovel. Made of sturdy polyamide, it is resistant to high temperatures and does not risk ruining your cookware. Furthermore, thanks to its extra-long 100 cm stainless steel handle, your movements in the kitchen will be more agile and comfortable. Perfect for professional chefs but also home cooks. Focus on quality and choose the durability for the instruments of your passion.
