

STAINLESS STEEL LADLE cm.20x72 cl.200

SOLUZIONI FOODSERVICE

Our professional ladle will surprise you with its extreme robustness and daily usefulness. A fusion of functionality and design, designed for the most demanding chefs! Made of durable Aisi-304 stainless steel, it is an indispensable utensil for your kitchen. The sturdy handle, made of 3 mm sheet steel, allows for a good grip and comfortable use. The total length of 72 cm and the capacity of 200 cl make this ladle versatile for various uses. The curved finish is a stylish detail that allows it to be hung easily. Unmissable for those who love cooking with safe and quality tools.
