

CHINOIS WITH STAINLESS STEEL SUPPORT HOOK diameter cm. 20

Professional stainless steel drainer, dense texture, resistant and long-lasting. Ideal for a modern and fast kitchen. High quality.

SOLUZIONI FOODSERVICE

Immersed in the tradition of professional cooking, the Chinois with support hook made of stainless steel with a diameter of 20 cm is a valid ally for sifting and draining your ingredients. Its strong and carefully welded mesh to the entire structure offers a sturdy and durable handle. It is designed to adapt to various preparations, thanks to its versatility between holes and mesh, always guaranteeing professional quality. Equipped with a support hook to store it with style and practicality. For modern and fast cuisine, but always attentive to quality.
