

TRANSPARENT SQUEEZE BOTTLE DISPENSER WITH WIDE MOUTH CAP cl.75

SOLUZIONI FOODSERVICE

This versatile 75 cl dispenser, made of resistant polyethylene, is the perfect tool for precisely dosing sweet and savory sauces. The wide mouth cap offers an excellent seal, while ensuring quick and easy filling of the container. Furthermore, the practical graduated scale in oz. and ml will allow you to always keep the quantities used under control. Perfect for professional kitchen use, it is dishwasher safe and made in the USA. Complies perfectly with the regulations on food items.
