SOLUZIONI FOODSERVICE

This Aisi-304 stainless steel ladle stands out for its sturdiness and unique design. Very practical, with its curved handle that allows you to hang it easily, it is suitable for professional use. Strong and crushproof, it offers a total length of 34.5 cm, and a 27 cm handle, perfect for pouring, stirring and serving with precision. The capacity of the ladle, expressed in 8 centilitres, is engraved on the handle, offering maximum clarity. Made entirely of stainless steel, it offers long life and resistance. An indispensable item for your kitchen!
