SOLUZIONI FOODSERVICE

Discover the sturdy AISI-304 stainless steel ladle: a valid ally for your moments in the kitchen. Designed for professional use, it is extremely resistant, long-lasting and does not deform with intensity of use. Its dimensions (10x43 cm) and its capacity of 25 cl, engraved directly on the handle, make it practical and functional. The handle, 33 cm long and 3 mm thick, offers a secure grip: a non-negligible detail when preparing your best dishes. Also practical to store, thanks to the curved handle end which allows you to hang it comfortably. Your new kitchen assistant is here, at an unbeatable price!
