SOLUZIONI FOODSERVICE

Discover the Aisi-304 stainless steel ladle, ideal for cooking enthusiasts and professionals in the sector. Its solid one-piece structure and the sturdy 3 mm sheet metal handle, 40.5 cm long, ensure resistance and durability over time, perfect for working with safety and peace of mind. The total length is 52 cm and the ladle's capacity of 50 cl is engraved on the handle to always have the right quantity. The curved terminal allows for easy hanging. A superior quality, non-deformable and durable utensil, the ideal companion in the kitchen.
