

**STAINLESS STEEL LADLE cm.16x61 cl.100**

# SOLUZIONI FOODSERVICE

A must-have in every professional kitchen, our Aisi-304 stainless steel ladle features a one-piece design. With its total length of 61 cm and its sturdiness guaranteed by the 3 mm steel sheet handle, it is ideal for intensive and long-lasting use. Designed for maximum practicality, it also features a 100 cl capacity clearly engraved on the handle and a curved terminal, perfect for hanging. This ladle represents the perfect fusion between convenience and safety, so you can work every day with peace of mind.
