

REINFORCED TINNED WIRE SKIMMER cm.20x69

SOLUZIONI FOODSERVICE

Ideal for schoolgirls and sieving with professional style, we present our Reinforced Skimmer. Equipped with a concentric wire spider in tinned iron, it guarantees superior efficiency and durability over time. Its hook makes it easy to store and close at hand when needed. With a total length of 69 cm and a diameter of 20 cm, it allows you to work even in deep pots without problems. Experience the experience of a real chef with our reinforced tinned wire skimmer!
