REINFORCED TINNED WIRE SKIMMER cm.20x69

Tinned iron spider, perfect for sieving and draining, equipped with hook. Length 69cm, diameter 20cm.

SOLUZIONIFOODSERVICE

Ideal for schoolgirls and sieving with professional style, we present our Reinforced Skimmer. Equipped with a concentric wire spider in tinned iron, it guarantees superior efficiency and durability over time. Its hook makes it easy to store and close at hand when needed. With a total length of 69 cm and a diameter of 20 cm, it allows you to work even in deep pots without problems. Experience the experience of a real chef with our reinforced tinned wire skimmer!
