# SOLUZIONI FOODSERVICE

Quality meets efficiency in the Reinforced Tin Sieve with wooden handle, a proud representative of Made in Italy. Born from over six decades of experience in the hospitality sector, this kitchen item boasts ISO 9001 certified production. Made of tinned wire, the colander promises long-lasting use. Every detail speaks of superiority, from the double heat tinning in 99.9% pure tin, synonymous with hygiene and quality, to the sturdy wooden handle which provides an ergonomic grip. A must-have for every professional chef.
