SOLUZIONI FOODSERVICE

Perfect for your professional kitchen, this colander is made from tinned wire and finished with a sturdy wooden handle. Its large size of 30 cm in diameter makes it the ideal tool for both sieving and draining food. Produced with the wisdom acquired from over 60 years of experience in the hotel sector, it is the expression of the great Italian manufacturing tradition. Quality is ensured thanks to the double tinning in 99.9% pure tin. The production is ISO 9001 certified, a guarantee of safety, hygiene and durability. An authentic touch of craftsmanship for your kitchen.
