SOLUZIONI FOODSERVICE

Our perforated serving spoon is an essential accessory for every chef, professional or cooking lover. Made entirely of high quality 18/10 stainless steel, it guarantees sturdiness and long life. Its size of 8.5x7 cm and length of 28 cm make it perfect for measuring food and serving it with precision. Thanks to the holes, it allows you to easily drain excess liquids. A sophisticated combination of design and functionality, created to meet your kitchen needs.
