

STAINLESS STEEL WHISK RUBBER HANDLE - cm.45

SOLUZIONI FOODSERVICE

Discover the versatility and efficiency of our De Buyer whisk, a stainless steel jewel that cannot be missing from your kitchen. Ideal for any type of preparation, from the most delicate sauce to the densest cake dough, it is the help you need to best express your creativity in the kitchen. Also excellent for whipping egg whites, emulsifying seasonings and preparing the tastiest creams. The polypropylene handle, coated with TPE, is ergonomic and non-slip, offering maximum comfort during use. Furthermore, the lining is an antibacterial insulator, ensuring maximum hygiene. The reliability of the stainless steel used for the cables makes it practically indestructible. A true ally for every chef!
