

SHAPED STAINLESS STEEL SHOVEL FOR FRENCH FRIES

vedi prodotto online

SOLUZIONI FOODSERVICE

The shaped stainless steel shovel is the ideal accessory for lovers of fried potatoes. Sturdy and handy, with dimensions of 20x23 cm, it is easier than ever to collect potatoes from the pan. The 7.5 cm mouth of the bag will allow you to easily transfer your fries, limiting waste. Made of stainless steel, it is a resistant and easy to clean utensil, perfect for withstanding the frenzy of daily cooking.
