SOLUZIONI FOODSERVICE

Description: This 32 cm frying pan, specially designed for frying, is an essential addition to your kitchen, adding authenticity and a professional touch to your dishes. Crafted from sturdy steel, an optimal heat diffuser, the pan ensures perfect frying. Frequent use improves cooking, as the more the surface blackens, the less food tends to stick, ensuring superior cooking results. Keep away from dishwashers to maintain its performance. Features: - Made of steel - Excellent heat diffusion - Improves cooking over time - Not dishwasher safe - Made in France - Suitable for food use - Maintain by drying with a cloth or paper towel - Do not overheat
