

MICROPLANE PROFESSIONAL GRATER THICK BLADE cm.31,2x7,5x3

SOLUZIONI FOODSERVICE

Elevate your gastronomic experience with the Microplane Professional Grater. Designed to create refined strips of carrots, cheeses, garlic, nuts and chocolate, it guarantees precise cuts without tearing or chopping, accentuating the aroma and taste of foods. The ultra-resistant surgical stainless steel blade, similar to a wood rasp, is a detail that stands out among professionals and amateurs. With an ergonomic plastic handle and non-slip rubber feet, it ensures comfort and stability during use. Easily dishwasher safe, it is made in the USA with undisputed quality.
