SOLUZIONI FOODSERVICE

Raise your culinary art to perfection with the Professional Fine Microplane Grater, the ideal ally for tackling hard spices and citrus peels. Made in the USA, it is an icon in the kitchens of professionals and enthusiasts, thanks to its surgical stainless steel blade, similar to a wood rasp. This unique blade cuts without tearing or chopping, preserving and intensifying the aroma and flavor of foods. Furthermore, its ergonomic plastic handle and non-slip rubber feet guarantee a firm grip, for unparalleled precision. You can then clean it comfortably in the dishwasher!
