

VANTAGE MANDOLIN WITH SMOOTH V BLADE WITH 4 JULIENNE CUTS

vedi prodotto online

SOLUZIONI FOODSERVICE

USE:

The mandolin allows you to cut any type of food (fruit, vegetables, cheese, etc.). The "pro-slide" coating helps cut even the driest products.

Composed of:

- 1 adjustable smooth 'V' blade cm. 0.1 to 1;
- 4 julienne blades of 0.2 - 0.4 - 0.7 to 1 cm;
- 1 smooth 'V' blade protector for storing the item;
- 1 container for storing julienne combs
- 1 vegetable/fruit trolley
- 1 ergonomic protection button

It will be possible to obtain slices and julienne cuts.

Support foot to avoid contact with the food plate during cutting.

CHARACTERISTICS:

- stainless steel material
- non-slip folding legs
- adjustable inclination
- adjustable cut
- dishwasher safe
- made in France
- dimensions cm.15,5x49x18,5
