SOLUZIONI FOODSERVICE

The Round Stainless Steel Portioner, measuring 6x4 cm, is the perfect tool for lovers of creative cooking. Ideal for shaping sweets and savory delights such as tartlets, mousses or creams, it always ensures the same perfection of shapes thanks to the resistance of 18/1 stainless steel. The ring is totally safe for contact with food and completely dishwasher safe, to ensure practical use and unparalleled hygiene. A must-have for every self-respecting professional chef!
