# SOLUZIONI FOODSERVICE

Discover the rectangular stainless steel portioner from our selection of kitchen tools!  
It is the perfect tool for giving shape to your desserts: cakes, mousses or cream tarts will be as impeccable as those of the best pastry chefs. Made with the utmost care in 18/1 stainless steel, it is suitable for contact with food and ensures perfect hygiene thanks to the possibility of being washed in the dishwasher. An essential tool for a professional kitchen in its simplicity.
