SOLUZIONI FOODSERVICE

The Long Oval Portioner is the ideal accessory for the most refined and creative chefs. Made of 18/10 stainless steel suitable for contact with food, it allows you to precisely shape miniature cakes, mousses and small cream flans. The dimensions of 8.8x5.2x4.5 cm guarantee a generous portion, perfect for delighting the palate of your guests. It resists intensive washing in the dishwasher, ensuring unparalleled durability. An essential item for a professional kitchen, with a sober and elegant appearance.
