

## SET 9 pcs. PLASTIC SQUARE CUTTERS VARIOUS SIZES

Perfect square desserts with our set of 9 resin cutters: for food use, resistant to +160° and recyclable!

# SOLUZIONI FOODSERVICE

Here is a perfect set of 9 pieces of plastic cutters, in a variety of sizes, with versatile use. Perfect for giving shape to your desserts, these pastry cutters are made of polyamide resin, a material known for its resistance and durability. Sustainable over time, they can resist temperatures up to +160°, allowing safe and long-lasting use. Furthermore, they are completely recyclable, respecting the environment. An indispensable for your professional kitchen!
