SOLUZIONI FOODSERVICE

Have fun in the kitchen with our set of 7 heart-shaped cutters in various sizes! Made of durable polyamide, these tools are perfect for adding a touch of sweetness to your desserts. Thanks to their resistance up to +160°, you can use them without fear of ruining them. Furthermore, they are made of food-grade resin and completely recyclable, for maximum safety and an eye for the environment. A useful and long-lasting investment for your kitchen tools!
