Made in Valencia -MADE IN SPAIN-

PATA NEGRA LINE by Garcima:

Line of pans for paella conceived for professional use and designed to withstand intensive use, such as deformation from thermal shocks and impacts.

Increased thickness, with a weight of 4.0 kg

MATERIAL AND USE:

Paellera made of polished carbon steel with increased thickness.

The blackening due to continuous use ensures better non-stick properties during cooking.

It is advisable to wash it with hot water and after having carefully dried it, to grease it with a light layer of cooking oil to prevent rust.
