SOLUZIONI FOODSERVICE

Ideal for master chefs, this wooden risotto spatula is the must-have accessory in your kitchen. Made of natural beech wood, it guarantees maximum stability and hygiene, thanks to its hardness and the absence of knots. The square shape of the shovel allows you to reach even the most remote corners of the pan, without leaving unmixed rice. The practical hole on the handle allows you to hang it comfortably, always at hand. Note: Discontinued product, so hurry and get one!
