

JULIENNE CUTTER WITH STAINLESS STEEL BLADE cm.18x6,5x1

SOLUZIONI FOODSERVICE

Our Julienne cutter is the kitchen accessory that cannot be missing from your repertoire. Made entirely of stainless steel, it features a resistant and sharp blade that allows precise and thin julienne cuts. This is the ideal solution for creatively garnishing your soups or wok dishes, or for making vegetables more appealing to the little ones. With a cutting width of 3mm, it combines functionality and practicality in a single cm tool. 18x6.5x1.
