**CODICE: FAC350I**  
**MARCA: FAC**

| Caratteristiche tecniche                |                   |
|---|-------------------|
| Motore monofase 100/220-240 V, 50/60 Hz | 0,55 HP (3,930 W) |
| Lame Ø mm                               | 250, 180, 150     |
| Spina                                   | 2P+N              |
| Spessore di taglio mm                   | 0-10              |
| Togli-sella L x Ø mm                    | 150/50            |
| Articolo                                | Professional      |
| Dimensioni e peso                       |                   |
| A mm                                    | 420               |
| B mm                                    | 150               |
| C mm                                    | 150               |
| D mm                                    | 250               |
| E mm                                    | 450               |
| Peso kg                                 | 30                |
| Indicazioni: dimensioni, peso e volume  |                   |
| Spessore lamina cm                      | 0,4 - 0,5 - 0,6   |
| Spessore tag                            | 0,5               |
| Velocità rpm                            | 1200              |

# SOLUZIONI FOODSERVICE

**\*\* 100% MADE IN ITALY \*\***

-----

- Electric gravity slicers in aluminum with parts in contact with food in stainless steel.
- Construction according to EU standards.
- Compliant with standards EN 60.335/60.335.2.64 - EN 1974 (CE professional use)

## ENHANCING FEATURES

- Professional hardened carbon steel blade with chrome coating
- Sliding on self-lubricating brass bushings and ball bearings
- Blade center mounted on bearings
- Body made of single aluminum casting with external protective treatment for professional use (anodization)
- Powerful induction motor
- Sharpener support in cast aluminum for effective and perfect sharpening

## TECHNICAL DATA:

- Single-phase motor 220V HP 0.30
- Blade diameter mm 350
- Cutting thickness mm 0/16
- Useful cut W x H mm 310x260
- Weight Kg. 36
- Built-in sharpener
