BISETTI ROUND PEPPER MILL IN NATURAL BEECH WOOD diameter cm.5 height cm.19

vedi prodotto online

CODICE: **0150042186151**

MARCA: **BISETTI**

## GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind.

The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

Complies with CE and FDA regulations for food contact.
