## **ROMA PEPPER MILL IN BEECH WOOD cm.6x25**

ROUND BISETTI PEPPER MILL IN NATURAL BEECH WOOD diameter cm.6 height cm.25

## SOLUZIONIFOODSERVICE

## GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind.

The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

Complies with CE and FDA regulations for food contact.
