

MILAN PEPPER MILL IN ACRYLIC cm.7x32

BISETTI ROUND PEPPER MILL IN TRANSPARENT ACRYLIC diameter cm.7 height cm.32

vedi prodotto online

CODICE: 0150042188440

MARCA: BISETTI

GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind.

The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

Complies with CE and FDA regulations for food contact.

**** MADE IN ITALY ****
