

FIBERGLASS SERVICE TRAY cm.53x37 MELANGE

vedi prodotto online

CODICE: 0150044516001

SOLUZIONI FOODSERVICE

- Very robust suitable for intensive use.
- With reinforced corners and edges.
- Great variety of shapes and sizes, for all uses.
- Available in the ergonomic Artà shape:
with a low profile, it allows you to make the most of the surface of the tray;
more comfortable during meal consumption;
takes up less space when stacked.
- Wide and pleasant range of colors.
- Excellent impact resistance: subjected to 5000 repeated blows on the edges (as prescribed by the standard NF T 54-801: 1992 -fatigue resistance test-) the Glass tray remains practically unchanged.
- 5-year guarantee against breakage.
- Easily washable and sanitizable, thanks to the reduced degree of roughness.
- Characterized by a high level of impermeability: it does not retain impurities, grease and odours.
- Does not release any type of substance in contact with food, even at high temperatures, in accordance with the provisions of Regulation (EU) no. 10/2011.
- Resistant to scratches and abrasions.
- Good resistance to stains.
- Does not undergo alterations in contact with the main domestic acids.
- Perfectly planar.
- Non-deformable at high and low temperatures.
- Equipped with spacer feet, to facilitate drying and allow quick and precise stacking.

The high quality of the raw materials used and the innovative production technologies make the Glass tray a product with a long life span.

Lower environmental impact than that deriving from the use of trays with a shorter life span.

WARNINGS:

Maximum washing temperature: +60°C.

Maximum drying temperature: +90°C.
