Winterhalter Steel Baskets – Maximum Resistance for Large and Heavy Dishes

Robust, spacious and extremely resistant, Winterhalter steel baskets are the ideal solution for washing large pots, pans and utensils. Without rows or compartments, they offer maximum versatility, while practical accessories allow you to position the dishes optimally for effective cleaning.

- Ultra-strong structure for bulky and heavy dishes
- Perfect for Winterhalter utensil washers
- Large space without compartments, for flexible arrangement
- Optimal washing and drying thanks to the perfect circulation of water and air

Dimensions: 50x50x20.2 cm – Capacity: 6 files

Trust Winterhalter for professional, efficient and uncompromising washing!
