SOLUZIONIFOODSERVICE

VERONA PEPPER MILL IN ACRYLIC cm.x17,5

ROUND PEPPER MILL BISETTI IN TRANSPARENT ACRYLIC diameter cm. height 17.5 cm

SOLUZIONIFOODSERVICE

GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind. The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

Complies with CE and FDA regulations for food contact.

** MADE IN ITALY **
