BISETTI ROUND SALT MILL IN MATT WHITE LACQUERED BEECH WOOD diameter cm. height cm.18

vedi prodotto online

CODICE: **0150052182532**

MARCA: **BISETTI**

GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind.

The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

Complies with CE and FDA regulations for food contact.

**** MADE IN ITALY ****
