

FIXED POLYETHYLENE ROLLING PIN cm.25x2,5

SOLUZIONI FOODSERVICE

This fixed rolling pin, made of resistant and high quality polyethylene, is the essential accessory for rolling out dough and mixtures with different thicknesses. Extremely easy to handle thanks to its dimensions of 25x2.5 cm, it has been designed to guarantee maximum hygiene: in fact, it can be washed in the dishwasher without suffering damage. Ecological and sustainable, it is completely recyclable. An extra touch of Italian quality in your kitchen, for impeccable culinary creations every day.
