CODICE: **FTSM101**
MARCA: **FAMA INDUSTRIE**

SOLUZIONI FOODSERVICE

DESCRIPTION:

Small appliance, but with great performance, for mincing meat. Intended above all for domestic or semi-professional use. It is able to prepare any type of pulp at its best. Hygienically designed, it has the option of completely separating the grinding group from the machine body for more thorough cleaning. By replacing the die, with different holes, it is possible to obtain various types of minced meat: meat sauce, meatballs, sausages and Swiss. Also available the set of tubes for stuffing meat.

CHARACTERISTICS:
