With the roasting and baking pan you can prepare almost all pan specialties such as Swiss Rösti, tortilla, quiche, pancakes but also small desserts such as e.g. Tarte Tatin.

The extraordinary heat conduction capacity allows you to obtain uniform browning over the entire base in just a few minutes.

The special support plates ensure easy and safe use by preventing the pans from slipping

The TRILAX by Rational coating has surprising non-stick properties, promotes browning and resists heat and alkalinity.
