

SET 2 PCS. MINI SALT AND PEPPER MILL cm.4,5x6,5

vedi prodotto online

CODICE: 0150142180820
MARCA: BISETTI

SOLUZIONI FOODSERVICE

The Set consists of two methacrylate grinders.

PEPPER GRINDER MECHANISM:

The mechanism of the Bisetti pepper mills is in hardened steel with a double toothed row arranged in a helix which holds and guides the peppercorns for a perfect grind.

The galvanized coating protects the grinder from oxidation, ensuring sharpness and resistance to wear.

SALT GRINDER MECHANISM:

The mechanism of the Bisetti salt mills is made of highly resistant ceramic.

To resist corrosion all metal components are made of stainless steel and aluminium.

Complies with CE and FDA regulations for food contact.

MADE IN ITALY
