SOLUZIONI FOODSERVICE

Perfect for sifting and draining, our conical colander is an indispensable ally in the kitchen. Made of resistant stainless steel, it has an upper diameter of 45 cm, ideal for measuring large quantities of pasta. With a lower diameter of 27.5 cm and a height of 22.5 cm, it ensures excellent sorting, avoiding waste. Its truncated cone shape and solid base offer stability during use. A practical and long-lasting accessory for your professional kitchen.
