SOLUZIONI FOODSERVICE

4 pcs PACK:

Contains the essential knives for the kitchen.

- ROAST KNIFE 24 cm.: Semi-rigid blade knife, ideal for slicing cooked meats (e.g. roasts, boiled meats).
- BREAD KNIFE 24 cm.: semi-rigid and serrated blade knife, ideal for slicing bread, focaccia and pizza.
- KITCHEN KNIFE 18 cm.: Multi-purpose knife with rigid blade, ideal for cutting and cleaning fruit and vegetables.
- Paring knife 10 cm. black: semi-rigid knife, for cutting and cleaning vegetables and fruit.

LAMA

- High hardness (54-56 HRC)
- Good flexibility
- High cutting power
- Long thread life
- Wire shape especially designed for professional use
- Excellent ease of resharpening
- The convex shape of the blade guarantees effective support when considerable effort is required by the user.
- No chipping occurs

Completely new handle

Thanks to the use of an innovative technology for 'texturing', the surface of the SKIN handle differs from any other and offers a secure and comfortable grip, eliminating the sensation of stiffness.

The ergonomic shape of the handle ensures a secure grip and less user fatigue.

The material used complies with the strict hygiene and food contact regulations.
