CODICE: **0309416401000**
MARCA: **RATIONAL**

SOLUZIONI FOODSERVICE

** RATIONAL PATENT *

USE:

Highly thermally conducting pastry trays with TriLax non-stick coating for perfect baking results at temperatures up to 300 °C.

The TRILAX by Rational coating has surprising non-stick properties, promotes browning and resists heat and alkalinity.

MATERIAL:

Multilayered with TRILAX by Rational non-stick
